User Agreement: list of conditions for receiving FREE DVDs

To assist ministries using the "JESUS" film for outreach to immigrants we have a free DVD program. To receive free DVDs, your ministry will need to sign and complete this DVD User Agreement.

Following are the three conditions for receiving Free DVDs:

- 1- DVDs are to be given away and not sold. Donations may be accepted by your ministry. Those making donations should give the DVDs to local immigrants themselves or give them to missionaries so they may give away.
- 2- DVDs are to be given to those you think may be seeking to know more about Christ, not to Christians.
- 3-Your ministry does not have the ability to make a donation to cover the cost of the DVDs.

If after reading the above you wish to participate in our free DVD offer, please sign and complete the form below. (A new form is required for each shipment.)
